

SECTION 6

DURASAFE COMPACT LAMINATE

Overview	84
Colour Range	85
Cut to Size Service	86

DuraSafe 5003 Phillipine Teak, DuraSafe 5730 Brushed Graphite, and DuraSafe 113 Off White

DuraSafe Compact Laminate has antiviral, antifungal and antibacterial surface properties ensuring resistance to harmful germs.

DuraSafe has been tested and certified in an Australian laboratory using an internationally recognised ASTM E1053 test method.

This compact laminate is suitable for outdoor, indoor and heavy duty applications.

DuraSafe is competitively priced compared to other compact laminates on the market.

It is graffiti-resistant and has been tested to ASTM D6578/D 6578M-13 (2018).

DuraSafe Compact Laminate
DuraSafe 13mm compact laminate is antiviral, antifungal and antibacterial, eliminating 99% of common germs. Durable, waterproof, easy to clean, impact and scratch resistant.

FEATURES & BENEFITS

- Resistant to harmful germs
- Resistant to abrasion
- Resistant to cigarette burns
- Resistant to water penetration
- Resistant to humidity and high temperatures
- Resistant to harsh cleaning solutions
- Hygienic surface material
- Easy to clean and maintain
- Manufactured adhering to strict safety standards
- All standard colours are stocked in our warehouses and ready for use in your project
- Non-standard colours are not kept in stock and have an additional lead time

“DuraCube’s commitment to sustainability meets today’s needs without compromising future generations.”

Athol Simpson
Operations Manager, DuraCube

Please Note: The colours in this brochure have been recreated as accurately as possible to match the DuraSafe Compact Laminate colours. The colour chart should be used as a guide only. Physical samples of compact laminate colours are available upon request.

Contact laminate is durable, waterproof, easy to clean and scratch resistant.

DuraSafe 467 Jade Mist, DuraSafe 275 Classic Grey, and DuraSafe 291 Royal Blue

DuraSafe Cut to Size Service is the ideal solution for custom designed furniture and joinery including tables, desks, benchtops, doors and wall panels.

Compact Laminate is extremely durable, waterproof and easy to clean.

The surface is antiviral, antifungal and antibacterial, eliminating 99% of common microorganisms.

DuraCube has four CNC machines dedicated to cutting compact laminate. We can cut compact laminate to any shape and size within the 3600mm x 1800mm sheet size.

Standard edge profiles are 1.5mm aris top and bottom. Sharknose and square edge profiles are also available.

DuraCube can help save assembly time by pre-drilling holes, routing cut-outs and creating v-grooves at a minimal cost.

“Let your imagination run free with this totally custom offer.”

Alicia Woodbury
Sales Support, DuraCube

APPLICATIONS

- Cafés, restaurants, bars, alfresco dining
- Childcare centres
- Schools and universities
- Shopping centres
- Corporate breakout areas and lunch rooms
- Health facilities

FEATURES & BENEFITS

- DuraSafe 13mm compact laminate construction
