Penrith Council recently completed construction of an amenities building at Doug Rennie Field situated within Chapman Gardens.

Penrith Council is committed to providing the best possible sporting facilities that are inclusive and encourage ongoing active participation from sporting groups and residents.

The new building has two inclusive change rooms with unisex toilets and showers, male and female toilet facilities, accessible toilet, referee's change room, high quality canteen, storage area, spectator seating and landscaping.

The project was funded through the NSW Government's Greater Cities Sports Facility Fund, Penrith City Council and the Federal Government.
