# LOCKER SYSTEMS

|                                                |           |
|------------------------------------------------|-----------|
| <b>Section 3: Locker Systems</b>               | <b>54</b> |
| Overview                                       | 56        |
| Lockers – Plinth Mounted (LPM)                 | 57        |
| Lockers – Wall Mounted (LWM)                   | 58        |
| Lockers – Bench Mounted (LBM)                  | 59        |
| Lockers – Shoe Box Mounted (LSBM)              | 60        |
| Lockers – Shoe Box Seating Mounted (LSBSM)     | 61        |
| Lockers – Plinth Mounted End-of-Trip (LPM-EOT) | 62        |
| Lockers – Wall Mounted End-of-Trip (LWM-EOT)   | 64        |
| Lockers – Accessible Ironing Station (AIS)     | 66        |
| Lockers – Plinth Mounted DDA (LPM-DDA)         | 67        |
| Lockers - Bench Seat Mount Player (LBSM-P)     | 70        |
| Lockers - Shoe Box Seat Mount Player (LSBSM-P) | 72        |
| Lockers - Bench Seat Mount Cricket (LBSM-C)    | 73        |

DuraCube lockers are constructed from DuraSafe 13mm compact laminate, making them suitable for wet and dry locations.

Compact laminate is vandal, impact, and water-resistant with a low maintenance surface.

Coordinate your locker colours with partitioning systems, bench seating and vanities.

APPLICATIONS

- Schools and universities
- End-of-trip facilities
- Sport and gym change rooms
- Defence ablution blocks

“The DuraCube locker range has expanded to accommodate evolving trends, making it fast and easy to design and construct with bathroom joinery systems.”

Nick Serafin  
Marketing Manager, DuraCube

FEATURES & BENEFITS

- DuraSafe 13mm compact laminate construction requires no edge strip due to black core edge
- Locker carcass constructed from either:
  - water-resistant white 16mm HMR board or
  - 100% waterproof white 16mm PVC board
- Black PVC edge tape on carcass to match black core on compact laminate panels and doors
- Four door colours can be used to create a pattern
- Shelving and vent options are available
- Coat rail is a standard inclusion
- One to four doors are optional per locker tower

LOCK OPTIONS

Electronic Touch Pad Lock (ETP)

Standard Key Lock (KL)

Electronic Button Lock (KL1000)

Mechanical Combination Lock (KL20)

Padlock Hasp (PH)

Lockers – Plinth Mounted (LPM)
